

# Important Changes to Park Road Medical Practice

MRM Medical Group will take over the running of Park Road Medical Practice from Monday 1 July 2024.

MRM Medical Group is a partnership of three experienced GPs who will work at the practice to deliver hands-on patient care.

During this transition period, your registered general practice and access to services will remain unchanged.

We are committed to ensuring you have continued and uninterrupted access to local medical services.

We will keep you updated with developments as plans progress for a smooth transition.

You should continue to contact the practice, should you need to, on **01383 418931**
